These prices reflect incredible price breaks just for USCSEA. So act fast if you are interested in any of them. If you wish to check these properties out, just log onto www.VacationsInc.com where there is a lot of information, including pictures.

If you have any questions or wish to make a reservation, contact Melissa Morrow, Group Sales Coordinator at Melissa@vacationsinc.com or call 1 800 228-1025 and ask for Melissa. Tell her you are with USCSEA. She is there Monday to Thursday, from 8:30 to 4:30.

Melissa is aware of the special problems we face and has said that she can be flexible in working with USCSEA. If units mentioned above are sold out, she is willing to work something comparable out with their other properties on their rental program.
